## Life is Good on the Farm!

We enjoyed last summer's trip to Butterfly Field Farm Animal Sanctuary so much, we had to go back this year! Located on 14 scenic acres in Bedford County, Butterfly Field Farm is a nonprofit safe haven for rescued farm animals. Their menagerie includes everything from ducks and chickens to goats, donkeys, cows, and more! We loved getting to meet and pet many of the curious critters that call Butterfly Field Farm home and are already looking forward to our next visit.

This friendly fellow spent some quality time with Margaret "Peg" Braford.

Life Enrichment Director Hannah Porter makes a new friend.

Residents Jim Ripley and Mildred Meador enjoy the company of their furry farm friends.

Before heading home, we enjoyed a picnic lunch and lovely views at Liberty Lake Park.

# Parties on the Porch

On warm summer days, the front porch at Our Lady of the Valley is the place to be. The porch serves as a place to relax, greet visitors, play with our four-legged friends, and party! **Summer Cocktails on the Porch** was a big hit, featuring new drink selections each month. Our second annual **Christmas in July Pet Parade** featured music by DJ Flex, treats for dogs (and their humans), and fun awards for our visiting canines. And no one can forget our festive **Fourth of July** event celebrating our nation's independence!

Ron Jones was happy to spend time with his mother-in-law, Inez Mitchell, on her 95th birthday!

## A Lifetime of Love

After over a half-century of marriage, Tom and Jeri Boswell are still head-over-heals in love. Their 57th wedding anniversary on July 19 was marked with a special celebration that included a steak dinner prepared just for them. The pair met in Georgia, enjoy dancing and singing together, and have a blended family that includes five children. Often seen holding hands and laughing, the Boswells are an amazing example of a timeless marriage!

*Since their wedding day in 1965, Tom and Jeri are always "picture perfect!" Whether it's a weekday afternoon on the porch or a special occasion like Valentine's Day, they are always content to spend time side-by-side.*

# Genesis Rehab Services is Now Powerback Rehabilitation

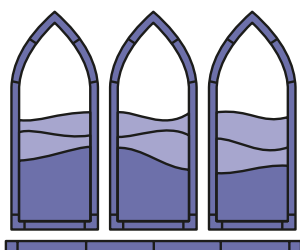

With over 36 years of success and expertise, Genesis Rehab—our community’s on-site provider of physical, occupational, and speech therapy—is refreshing their brand to better reflect the scope of services they provide. They will soon be known as **Powerback Rehabilitation**. The name change reflects their commitment to wellness and their mission to help patients get their power back. Residents can expect the same quality care from the same friendly therapists. A full transition to the new branding is expected by January 2023.
